"Winston Notes"

Rev. Fisher departed for Wyoming last week and he does not expect to return to this place again. He finds it a very hard task to bring the sinners of Winston to repentance. During his stay at this place Rev. Fisher has been a very hard worker for the upbuilding of the morals of this place and the M.E. Church erected here is a monument of his untiring efforts. We are very sorry to lose him and his estimable wife.

"Toston Topics"

Homer Nickerson has been suffering from neuralgia in his head for the past week, but at this writing is a little improved.

Attorney George Cowen of Boulder, who has been in Townsend on business in court, came to Toston on business Sunday and visited a few days at the pleasant home of B.F. Bembrick.

B.F. Bembrick and family of Spring Creek have been sick with lagrippe for the past week or ten days, but are a little improved at this time.

"Keith Kirscher Is One of Seven 4-Hers to See April 11 Apollo 13 Launch"

Keith Kirscher, Broadwater County High School Senior and honor student, will have a ring side seat for the Apollo 13 launch April 11 at Kennedy Space Center.

He will be one of seven 4-H club members from throughout the nation selected to represent 4-H at the launching, scheduled for 2:13 p.m. (EST). The other 4-Hers will be from Florida, Georgia, Massachusetts, New Jersey, Wisconsin and Oregon.

The National 4-H Foundation will pay \$100 of expenses, with the Broadwater County 4-H Council and county 4-H Junior Leaders to help Kirscher finance the trip. The Brevard County, Florida, 4-H Council will be host to the seven boys.,

Kirscher will fly to Florida April 9 and will participate in a space flight tour the next day.

Commander for the Apollo 13 flight will be Capt. James A. Lovell, veteran of previous manned flights. Others scheduled for the third moon landing are Navy Lt. Comdr. Thomas K. Mattingly and a civilian lunar module pilot, Reed W. Haise. They are scheduled to land at Fra Mauro, near the lunar equator, and to splash down in the mid Pacific at 3:16 p.m. (EST) April 21 with the Iwo Jima as recovery ship.

NASA, the National Aeronautics and Space Administration, will be host to the 4-H members. Kirscher was picked on the basis of his 4-H program, leadership and achievement. He is in his seventh year in 4-H and has completed tractor, beef breeding, weeds and other projects. He is president of his county Junior Leader Club and a National Honor Society finalist. Kirscher plans to study engineering at Montana State University in Bozeman.
